headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging erbearing down in lower abdominal or pelvio region, disagreeable drains from pelvio organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that whit give quicker relief or a more permanent chere than Dr. Pierce's Favorite Prehabeton, it has a record of over forty years of cure. It is the most potent invisorating tonic and airengthening netwing known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and connal roots found in our forests and con-tains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and at-tested under oath as correct.

Every ingredient entering into "Fa-vorite Prescription" has the written en-dorsement of the most eminent medical writers of all the several schools of prac-tice—more valuable than any amount of non-professional testimonials-though the non-protessional testimonian—though the latter are not lacking, having been con-tributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or known composition, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insuit to your intelligence for him to try to paim off upon you a substitute. You know what you want and it is his business to supply the article called for.
